

I AM. . . YOUR DELIVERER AND HE WHO FIGHTS FOR YOU

I. Welcome and Worship, Holy God:

Playlists: Just As I AM Instrumentals
I AM . . . Your Deliverer

Do you ever feel as if you are drowning? Do you ever wish a knight in shining armor would arrive to save you, fight with you, or better yet FOR you? He exists. He is here. Make way for the Prince of Peace: your Knight in ultra-shining armor and Your Deliverer! He fights for YOU!

NOTE: Prepare to replay *Mighty to Save* at end.

III. Ponder and Proclaim:

Picture every rescue scene in fairy tales, in old time movies, and in cartoons: **1. What should a person who needs to be rescued do when a rescuer arrives on the scene?**

Now picture this: a little brother, say five years old, who needs his big brother to protect him from a bully. **2. Is it wise for the five year old to get brave and begin fighting when his big brother and rescuer is arrives? 3. Is it even necessary?**

In reading all today's scripture, it is clear what we are to do in order for God to fight for us and deliver us: *Get out of the way! Let Him work!*

4. In what ways have you seen this principle in your life?
5. Where did you need to cease striving in order for God to do a great work in your life?

Allow Him to rescue you today.

IV. Pray and Praise:

As you close today, replay, *Mighty to Save*. He is so mighty that it is senseless for us to attempt to operate under our own strength. Praise God that *His Strength* is all we need and that He is mighty (and willing) to save.
